Black and White Also available

Note: Colors vary based on your computer system when viewing and printing. Refer to the actual Gill-line Catalog Color Chart page for a more accurate color representation.

- **Color Swatch** - Samples are printed on white stock. Actual appearance of the colors may vary on backgrounds or materials other than white.
- **Flexographic, Offset Quality, Digital and Sublimated Items** - These items require a different ink system. Colors shown above are an approximate reference. Flexographic neon colors are noticeably lighter than the samples above. Neon and metallic inks are not available on offset quality, digital or sublimated items.
- **Finish** - Screen printing colors are glossy, but the actual finish may vary depending on which material they are printed. Slight variations in our standard colors may occur.
- **Color Match - No charge** for standard colors. If a Pantone number is specified or a color sample matched add **\$41.00 (D)**. No guarantee of perfect matches. No guarantee of a perfect match on four-color process products. Color match not available on PDQ Decals or PDQ Posters, Value-line items, or black License Frames. Neon and metallic inks not available on offset quality products. Color Match is available on Double-Sided Poly Bag Signs by quote only. Contact Customer Service.
- **Neon Colors** - Begin to fade in 30 days if exposed to prolonged sunlight. They are not recommended on clear or light colored backgrounds. A dark background is suggested for better readability.
- **Yellow Vinyl** - Is a pigmented material and is not the same color as 10 or 12 Yellow. If a decal is wanted with a 10 or 12 Yellow background, the color will be printed and charged as a separate color.
- **Note** - These colors are not for use on Reflective decals which are printed in transparent inks. Transparent colors available are: Red, Blue, Orange, Green, Yellow, Purple, Magenta, Teal and Gold. Color matching is not available for transparent inks.
